

# Marriages at Lewannick,

1675 to 1812.

NOTE.—Of the earlier registers of Lewannick there remain:—(1) a register of Baptisms, without cover, sewn together by the Rev. Samuel Archer when he was inducted to the living; this begins in 1660; (2) a register of Burials, with loose cover, embracing the period 1738-1812; (3) a register of Marriages, which begins in 1755, and is rather loosely bound in leather and appears to have lost some of the earlier leaves. It will be seen that of the following Marriages the Bodmin Transcripts have supplied nearly one half. Mrs. Glencross has extracted the parochial entries, and they are printed by leave of the Rev. T. Bennetts, B.A., Vicar of Lewannick.
