

Marriages at St. Stephen's by Launceston, 1566 to 1812.

NOTE.—The following Marriages, which constitute a complete list from 1566 to 1812, have been extracted by Mrs. J. H. Glencross from three volumes. A note in the first volume states that "this Register was new bound by Wm. Bray, of Launceston by order of the Rev. Charles Lethbridge, March 25th, 1824." It contains Baptisms from 1568 to 1695, Marriages from 1566 to 1694, and Burials from 1566 to 1695. It is probable that the first leaf of Baptisms was missing at the time when the book was rebound. The first part of this volume is well written and well arranged and is doubtless the transcript made in accordance with the Injunctions of 1597 and embodied in the 70th Canon of 1603: the later records however, have been entered anyhow, without any regard to their nature or date wherever a vacant space was available; they are here printed in chronological order. The next volume also consists of mixed entries and furnishes Marriages from 1699 to 1753. From 1754 to 1812 the Marriages have been entered in a separate volume in accordance with the provisions of Hardwicke's Act. The Rev. Ernest Drewe, Vicar of St. Stephen's by Launceston, has given permission for the Marriages to be printed.

Mr. G. Jasper Nicholls reports that transcripts for this parish exist at Exeter for the years 1611, 1619, 1628, 1630, 1633, 1644, 1672-73, 1737-1740, also an early fragment, the date of which is unknown.
