THE
"VERITAS-PERFECTION"
BLUE FLAME OIL COOKER.
HIGH EFFICIENCY EXPRESS BURNERS.
(British Made.)

The "VERITAS-PERFECTION" Cooker represents the latest development in the English Cooking Stove trade.

A careful study of the actual users' requirements, combined with experimental research under all conditions have resulted in a highly efficient cooker with simplicity in design and construction.

Special attention has been given to securing full heat value from the flame and economy in oil consumption. Modernism in design has been closely followed, and aims at securing flowing lines, round moulded corners and smooth surfaces, leaving no part to harbour dust or grease.

The Cooking Platform is pressed from a single sheet of metal, made from a special brand of hard rolled steel, and having rounded corners free from sharp edges. Finished in glossy black with square cast grids. The under structure is in DELPHINIUM BLUE and the Flues in light NEUTRAL BLUE PORCELAIN ENAMEL.

There is a Veritas-Perfection Stove to meet the requirements of any family. The complete line includes stove with 1, 2, 3 and 4 burners.

Complete Confidence can be placed in every Stove marked "VERITAS-PERFECTION" COOKER.

Safeguard your Health ★

What are **you** sleeping on ?

Is going to bed a pleasure ?

Do you have to fit your mattress—or does it fit you—and do you feel fit in the morning ?

Maybe you sleep, but do you **rest** ?

Your health depends on **how** you sleep ; whether you sleep the sleep of the just or are "just asleep" ; whether your body is soothed and restored, so that you wake full of renewed vitality, ready and eager for the adventure of another day.

The modern spring-filled mattress has revolutionised sleep as the motor car, telephone, wireless and the cinema have changed our daily lives.

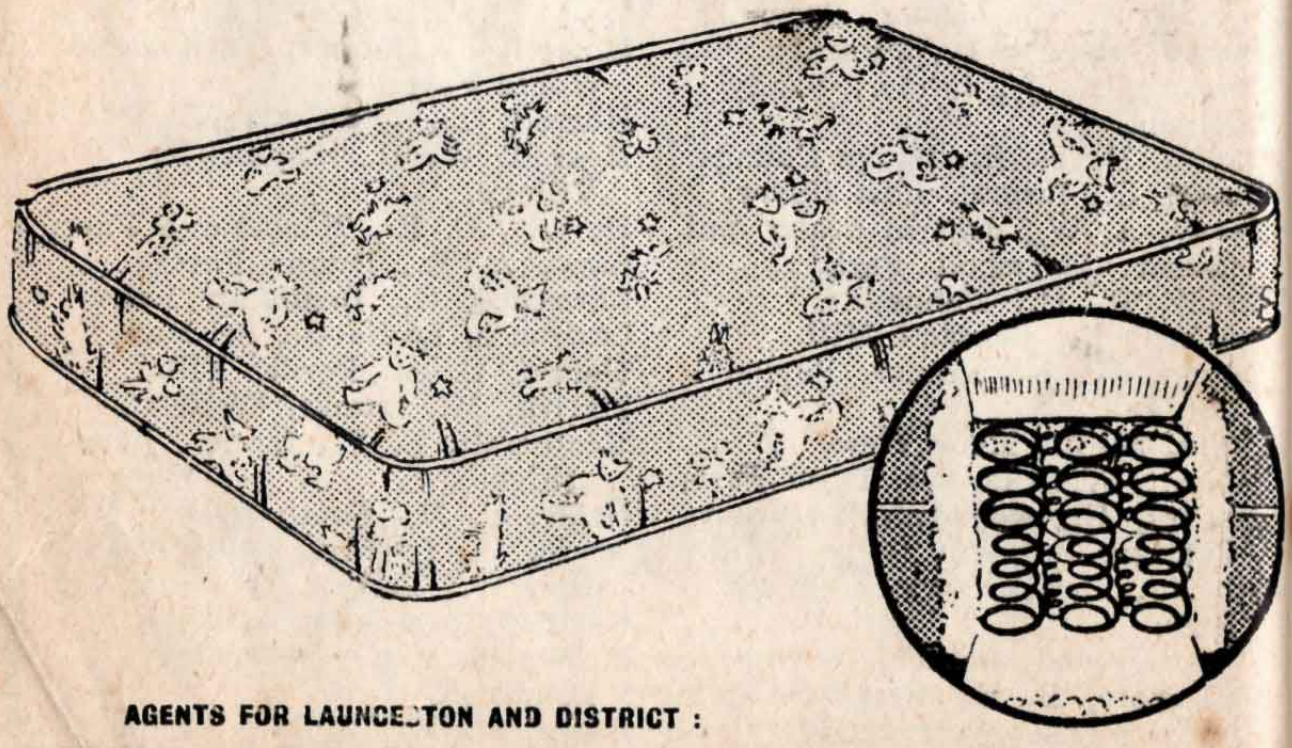

Why take chances with your health ?

Why force your body into unnatural, cramped positions in an endeavour to sleep upon the unsympathetic, hard bosom of a rest-robbing old family mattress ?

You cannot hope for continued good-health—and good looks—if you do not sleep well and rest well.

And it isn't as though a really good modern mattress were an expensive luxury, it is an inexpensive necessity.

Slumberland (Regd.) Mattresses give you a lifetime of sleep-ease and service, and the sort of rest you have a right to expect.
